MND NewsWire - 9/10

[Mortgage Applications Lowest Since 2000](#)

Mortgage applications displayed their worst volumes in months during the week ended September 5. That the week was shortened by the Labor Day holiday accounted for some of the bright ...

Mortgage Rate Watch - 9/12

[Mortgage Rates Now Back to 4.25% on Average](#)

Mortgage rates have now endured an insulting 10 straight days without improving. While a few of those have resulted in 'unchanged' levels, most have sent rates higher. Today, in particular ...

MND NewsWire - 9/12

[Recapping Recent Proposed Mortgage Rule Changes](#)

There are five key issues confronting the Federal Housing Finance Agency (FHFA) its director told a banking audience on Monday. The five, taken together, Director Mel Watt said, address ...
